III. FAIR HOUSING MARKETING PLAN

This Fair Housing Marketing Plan (“FHMP”) is adopted in accordance with the federal and state laws listed above, as well as state-aided public housing regulations at [760 CMR 4.07](#). Pursuant to 760 CMR 4.07, the AHA shall biennially determine whether the percentage for each minority group in the AHA’s housing by program (*i.e.*, elderly/handicapped program and family program) is significantly below³ the percentage for the minority⁴ group in the city or town or in the general population of the applicable metropolitan statistical area (“MSA”), whichever is greater, and, if so, shall update and implement this FHMP to ensure affirmative outreach to the minority group. The AHA has an ongoing responsibility to ensure that people in the local town, the primary MSA, and the communities from which applicants have historically applied for housing are aware of the availability of units and given an opportunity to apply. The AHA shall initiate a marketing effort whenever any of the following situations occur:

- a. the AHA has any minority group among its tenant population that is significantly below the percentage for the minority group in the Town of Andover or in the general population of the Boston-Cambridge-Newton, MA-NH Metro Area, whichever is greater;
- b. the waiting list, including available MRVP vouchers, is less than the number of applicants anticipated to be placed in the next 12 months;⁵
- c. applications for new programs or units will be accepted; or
- d. the overall minority household population (where at least one household member is a minority) is less than the AHA’s Affirmative Action Goal adopted pursuant to 760 CMR 5.10(3).

IV. DEMOGRAPHICS OF THE TOWN AND MSA

Percentage of Andover⁶ that is:

Black or African-American:	2.6 %
Asian:	14.6 %
Native Hawaiian or Pacific Islander:	0.0 %
American Indian or Alaskan Native:	0.0 %

³ For this purpose, “significantly below” means that the percentage for each minority group in the AHA’s housing for a given program is at least one percentage point below the percentage for the minority group in the city or town or in the general population of the applicable MSA, whichever is greater. For example, Asian households comprise 5% of residents in the AHA’s Chapter 667 housing, but 6% or more of the population in the city or town or the applicable MSA, whichever is greater, the percentage in the AHA’s housing would be deemed “significantly below”.

⁴ “Minority” has the meaning assigned to it in 760 CMR 5.03: *Definitions*.

⁵ Marketing of MRVP PBV waiting lists administered by the AHA will include postings with Housing Navigator at <https://www.housingnavigatorma.org/>.

V. MARKETING CONTENT

- A.** Marketing for AHA units, as well as for the AHA as a whole, will provide information, maximum opportunity, and otherwise attract eligible persons protected under federal and state fair housing laws who are less likely to apply.
- B.** When undertaking marketing efforts, the AHA shall utilize the following advertising methods:
 - i.** Advertisements will be posted on the AHA's website and social media accounts. Social media postings may be made in all priority languages, as determined by the AHA's Language Access Plan.

⁷ According to American Community Survey (U.S. Census Bureau), 2014-2019.

- ii. Advertisements will be shared with the local fair housing commission, local and regional housing agencies, civic groups, social services agencies, and other local community organizations.
- iii. Advertisements should be placed in the digital or print versions of local and regional newspapers.
- iv. Advertisements should be placed in the print versions of non-English publications (in the language of the publication). Notices will also be sent to organizations to ensure affirmative outreach to under-represented minority groups identified in accordance with 760 CMR 4.07.
- v. Advertisements will also be disseminated, periodically, subject to financial constraints, in accordance with the administrative discretion of the AHA's Executive Director.

- C. Materials being used for advertisements should direct potential applicants to the online application at CHAMP and indicate that paper applications may be downloaded and printed out from the DHCD website or picked up at the management office of any local housing authority. Applicants may also request that an AHA send them an application by mail.
- D. Application information must also include a statement regarding the AHA's obligation not to discriminate in the selection of applications.
- E. The size of the advertisements, including the content of the advertisement, as well as the dates of the advertising, will be comparable across regional, local, and minority newspapers.

All marketing, to the extent reasonably feasible, will be comparable in terms of the description of the opportunity available and the dates of marketing, regardless of the marketing type.
- H. All marketing will offer reasonable accommodations in the application process. Furthermore, the AHA will provide application materials in alternative formats, engage in alternative means of communication through auxiliary aids and services, and/or provide assistance with the application process as necessary to ensure that persons with disabilities are reasonably accommodated and have equally effective access to the AHA's programs.

VI. LANGUAGE ASSISTANCE FOR APPLICANTS WITH LIMITED ENGLISH PROFICIENCY

Marketing informational materials will provide notice of free language assistance to applicants, translated into the languages of Limited English Proficiency (“LEP”) populations anticipated to apply in accordance with the AHA’s Language Access Plan.
